

*We at Cedar Tree Surgical Center  
thank you for choosing us to care for  
you during your planned procedure.  
We are committed to quality care and  
patient satisfaction and we look  
forward to your visit.*

**WELCOME TO  
CEDAR TREE  
SURGICAL CENTER**

<b><i>OUR MISSION</i></b>
<i>To deliver excellent healthcare through a ministry of physical, mental, and spiritual healing.</i>

*Cedar Tree Surgical Center  
(302)945-9766*

*Your appointment is on:*

\_\_\_\_\_ At: \_\_\_\_\_AM/ PM

*Cedar Tree Surgical Center is a State licensed and JCAHO (Joint Commission on Accreditation of Healthcare Organizations) accredited Ambulatory Care Facility that specializes in minor surgical, endoscopic, laser, and pain management procedures.*

*Our staff is dedicated to making your visit with us as comfortable and pleasant as possible. Anesthesia care is provided by a qualified anesthesia practitioner. You will receive a pre-procedure phone call from a member of our staff within a few days of your scheduled procedure. At that time, your specific health concerns will be discussed and complete pre-procedure instructions will be reviewed.*

*Your rights as a patient will be respected at our center in the following ways:*

- 1. As a patient, you will be informed of all procedures and involved in decisions regarding your care.*
- 2. We will always respect your cultural, spiritual, and personal values.*
- 3. We will involve your family in your care if you choose to have them involved.*
- 4. We will honor your “Living Will” or provide information to you on how to make one if you choose.*
- 5. Our facility is designed to meet the physical needs of our patients.*
- 6. We will assess your level of pain and strive to keep you as comfortable as possible.*
- 7. We respect the confidential nature of your medical and financial*

*situation and will provide privacy for you during your stay.*

- 8. We are concerned about patient safety and security and we will be focused on providing a safe and secure environment during your stay.*
- 9. We will contact you after your procedure so that you can let us know how you’re doing and also let us know if we can do anything to improve the way we care for our patients.*
